

The parishioners of St Therese's Essendon established St Therese's Memorial and Precious Angels Garden in 2011. It was created to assist members of our community to remember their deceased loved ones, by interment and/or a memorial plaque. The primary group we sought to help were committed parishioners who over the years, by their involvement and generosity, contributed to the legacy we now all enjoy and admire. It is possible for this group to pre-purchase a columbarium for future use.

Non-participating parishioners and non-parishioners may make limited use of our Memorial Garden with an in-ground interment and plaque after consultation with the Parish Priest and Memorial Garden Committee. They will be expected to pay a garden establishment and maintenance and GST (see schedule of prices)
